ACKNOWLEDGEMENT

We would like to thank our guide **Mrs. Nikita P. Giradkar** and industry mentor **Dr. Shaini Suraj** for thorough guidance in the project. We are extremely grateful and indebted to them for their expert, sincere, valuable guidance and encouragement which was of immense help to us.

We would like to express our sincere gratitude to **Dr. L B. Damahe**, Head, Department of Computer Science & Engineering for his constant encouragement towards the successful completion of our work.

We wish to express our sincere thanks to **Dr U.P. Waghe**, the Principal of our college for providing us with all the necessary facilities and the infrastructure without which we would not have been able to complete our project successfully.

We would also like to thank our Project Coordinators **Mrs. Priyanka Pitale** and **Mrs. Amruta Paul** for their continuous guidance owing to which the project could take shape.

Last, but not the least, we would like to thank all the faculty members and non-teaching staff members who helped us despite of their busy schedule.
